Thermally Modified Massive Panel Board in Interiors, Scots pine

1. Unique identification code of the product-type:

Thermally modified tongue and grooved massive panel board from Scots pine (pinus sylvestris) in interior end-use applications.

Thermal modification treatment classes Thermo-S and Thermo-D

Type, batch or serial number or any other element allowing identification of the construction product as required under Article 11(4):

11 -26 x 68-185 mm

- Interior end-use applications, Wooden panelling, walls and ceilings
- Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:

Wooden wall and ceiling covering in interior end-use applications.

Name, registered trade name or registered trade mark and contact address of the manufacturer as required 4. under Article 11(5):

> Oy Lunawood Ltd Asemantie 52 FIN-74170 IISALMI Finland Tel. +358 17 770 0200 Fax: +358 17 742 199

Web: www.lunawood.fi

5. Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2):

-does not exist

System or systems of assessment and verification of constancy of performance of the construction product as set 6. out in CPR, Annex V:

AVCP-system:

AVCP 4

- In case of the declaration of performance concerning a construction product covered by a harmonised standard: 7.
- 9. Declared performance

Essential characteristics	Performance	Harmonised technical specification
Density and thickness	390kg/m3, 14-19 mm	EN 14915:2006+AC:2007
Fire resistance	D – s2, d0	
Water vapour permeability	60µ	
Formaldehyde emission class	E1.	
Sound absorption	250HZ500HZ =0,10	
	1000HZ2000HZ =0,30	
Thermal conductivity	0,11 W/(m K)	
Durability classification – against fungus	Class 2 Thermo-D Class 3 Thermo-S	

10. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 9. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of the manufacturer by:

Arto Halonen, CEO
